Networking One-Sheet

How can we help each other grow?

30 Second Introduction:

The Resolver Group started with two guys who just wanted to help small and medium sized businesses grow and flourish. With a combined 30+ years of experience with businesses in multiple industries, we are adept at finding the right formula for each business to scale. Our goal is to have a network of trusted partners who can tackle any challenge a business may need.

Whether it is operational efficiency, growth strategy, financing, marketing and advertising, leadership development/coaching, or anything in between, we want our established network of partners prepared to develop a plan and execute.

Current Priorities:

Jason and Victor are presently in the networking and growth stage. We have operated by word of mouth on an individual customer basis until now, and are looking at expanding our client and partner base. Our top priority currently is to grow our network of professionals in all potential solution categories. Our starting client area of focus is Manufacturing/Product companies or Machine Shops between \$2M and \$50M in annual revenue.

Skills and Current Service Offerings:

Operational Efficiency, Inventory Management/Right-sizing, Marketing/Advertising, Digital/Web Development, Financing, Business Coaching, Life/Health/Wellness Coaching, Leadership Training, Executive Development, Collective Procurement, Product Development, Growth Strategy
